Plan Year: 2025

March 1, 2025 - March 1, 2026

SEEKING TREATMENT

If you need to seek medical care, please follow these simple instructions:

Telemedicine

Your plan includes free access to Teladoc, virtual telemedicine while inside the USA. If you have a minor or non-urgent medical need, you can use Teladoc to see a doctor or get a prescription from anywhere, at any time using your phone or computer.

Please [visit our website](#) for more details.

Non-Emergency Care

For immediate care in non-emergency situations, you **SHOULD** go to a Walk-in Clinic, Urgent Care center or local doctor. Urgent Care and Walk-in Clinics are often the best places to seek medical care as you can walk right in and they require no appointment.

You **SHOULD NOT** go to the Emergency Room (ER) for this type of care unless it is a real emergency situation.

ID Card

It is extremely important that you carry your insurance ID card with you at all times and make sure to show it when you seek treatment. Your ID card will be emailed to you before you travel and should be kept with you at all times.

Emergency Care

The Emergency Room (ER) is designed for medical emergencies. If you need emergency care for any reason, please get to the nearest Emergency Room (ER) or call the emergency services for immediate treatment.

PLEASE NOTE – an additional **\$500 Deductible** will apply for each Emergency Room visit for an illness which does not result in a direct Hospital admission

Doctor/Hospital Search

You have the freedom of choice to visit any provider you wish, however you are strongly encouraged to visit medical providers who are part of the insurance plans network. This will allow direct billing and can remove the need for you to pay up front for medical expenses.

Inside the USA - [UnitedHealthcare Network](#)

Outside the USA - [IMG IPA Network](#)

Prescription Medications

Prescriptions should be filled at any available pharmacy and paid upfront directly to the pharmacy. Please keep copies of all your receipts and the prescription label and submit those to the claims team, along with a completed claim form for processing.
